

AIA Eastern Oklahoma

A Chapter of the American Institute of Architects

“2011 will mark the 50th anniversary of AIA Eastern Oklahoma. Since 1961, our Chapter has actively supported our members and worked to advance our profession’s reputation. In 2011, in addition to many other engaging and innovative programs, sponsorship will facilitate an awards celebration promoting the value of architects and advocating the importance of good design in communities throughout Eastern Oklahoma.

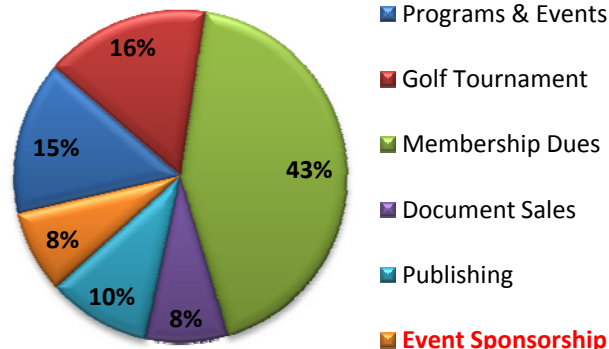

Chapter events and programs are designed to educate and inspire, as well as provide ample opportunities for networking and fellowship. Sponsorship is a smart investment for individuals and companies interested in establishing partnerships within the design community and promoting excellence in the built environment. It is also our opportunity to publicly recognize your generosity and support at the events or programs of your choice.”

– Daryl L. Bray, AIA
2011 AIA Eastern Oklahoma President

A wide variety of activities and events are planned in 2011. Your sponsorship provides maximum exposure and recognition within the architectural community, raises awareness of your firm’s brand with the public, and/or places your company in contact with AIA Eastern Oklahoma members predisposed to purchasing the products or services your company offers.

Sponsorships are available at a variety of levels to provide opportunities for Affiliate members and AIA member firms. Your sponsorship supports AIA Eastern Oklahoma initiatives the entire year.
