COMMUNITY AFFAIRS PLANiTULSA Subcommittee Survey

The FINAL Draft of ***Our Vision for
Tulsa***, better known as **PLANiTULSA**,
and Policy Plan has been released and is
available for review at
www.PLANiTULSA.org

Tulsa's 21st-century Comprehensive Plan
is important to every citizen, but
especially to AIA Eastern Oklahoma
members whose projects are designed
and developed in the City of Tulsa.

As a result, we are requesting your
participation in a short survey and at the
Council District meetings that will be
held beginning this evening.

distinguished himself in more ways than this
small space allows.

As a result, more information has been posted
to our Calendar of Events and we invite you to
join us for an exceptional 2nd Thursday at an
Architect's office 50 years in the making.

RESCHEDULED AIA OKLAHOMA 2010 LEGISLATIVE UPDATE

Friday, February 12, 2010

12:00—1:00 PM

***Lunch 11:30—Noon
Central Center Auditorium
1028 E. Sixth St.
Tulsa, Oklahoma***

The economic environment is unsettling, but
for an AIA member there's no better time or
place to learn what is expected for the 2010
Legislative Session or about AIA Oklahoma's
advocacy initiatives on your behalf!
