

**CRAFTON  
TULL SPARKS**

**APRIL 8, 2010  
5:30 – 7:00 pm**

**220 E. 8th ST.  
TULSA, OK**

This month's 2nd Thursday is long overdue for **Crafton Tull Sparks**, but relocation to a new office prohibited scheduling this event in 2009.

Now comfortably settled into their new offices in downtown Tulsa, the firm welcomes the Chapter's Architect, Associate AIA, and Affiliate members to join them at this month's 2nd Thursday on April 8, 2010.

Established in 2006 as Crafton Tull Sparks, the firm has 300 employees with offices in Tulsa, Oklahoma City, and Stillwater, Oklahoma-in addition to offices in Conway, Little Rock, Rogers, and Russellville, Arkansas.

Founded in 1963, the firm provides architectural, landscape architecture, engineering, interior design, planning, and surveying services across the nation.

ARCHITECTURE  
WEEK 2010

**DEDICATION  
CEREMONY &  
MEMBERSHIP**

**LUNCHEON—APRIL 12**

Architecture Week is an annual week-long observance celebrating architecture and design by the AIA and its members across the nation. This year, AIA Eastern Oklahoma celebrates Architecture Week by dedicating a bus shelter designed and championed by Associate AIA member, **Jed R. Ballew** of Kinslow Keith and Todd.

All members are invited to attend the **Dedication Ceremony at 11:30 a.m., Monday, April 12, 2010** at the shelter located at the **SW corner of E. King St. and N. Peoria Ave.**

At the membership luncheon (approx. 12:00 pm) we will recognize the many individuals, companies, and firms that made this project possible. The luncheon will be held at the HelmZar Challenge Course located at 1006 S. Quaker Ave. (just across the street). All members are invited to attend and join us in recognizing that design is not just for a privileged few, but for everyone!

## **iBIM EXECUTIVE BOOT CAMP**

***The Best and Fastest Way to Get Up to Speed on BIM***

An educational seminar sponsored by Ridgway's  
**11:00 am—2:00 pm Wednesday, April 14, 2010**

Renaissance Hotel—6808 S. 107. E. Ave., Tulsa, Oklahoma

\$50/per person—luncheon included

Discounts available for parties of 4 or more

The seminar is useful in understanding the ways to implement BIM and the costs associated with each strategy

Advance registration required
