Dan Rockhill is the J L Constant Distinguished Professor of Architecture at the University of Kansas and Executive Director of Studio 804. He and his students have recently completed two LEED Platinum projects in Kansas; a sustainable prototype project in Greensburg, Kansas, and a LEED for Homes in Kansas City, Kansas. The work of Rockhill and Associates is bound to the natural milieu and culture of Kansas. Their work has been published in nearly 200 books and journals and was recognized for the 2006 Cooper-Hewitt National Design Award.

**For more details or to register for the  
lecture and/or reception, please visit
