

AIA Eastern Oklahoma

A Chapter of the American Institute of Architects

2018 SPONSORSHIP OPPORTUNITIES

Since 1961, AIA Eastern Oklahoma, a Chapter of The American Institute of Architects has represented the professional interests of over 300 licensed architects, emerging professionals, and allied construction and design professionals in the eastern portion of the state. Members adhere to a code of ethics and professional conduct that assures the client, the public, and colleagues of an AIA-member architect's dedication to the highest standards in professional practice. Our mission is to facilitate unity, fellowship, and education among members; promote the value of AIA architects; and educate the public of the importance of good design and its contribution to the quality of life.

Sponsors of AIA Eastern Oklahoma accelerate their business development goals by cultivating relationships with members and staff, and expanding their reach within the architectural, design and construction community. We invite you to make a valuable investment in both your company and Oklahoma's built environment.
